

Koponen & Salmi (2017)

Koponen et al. (2019)

- S1-S2 (machine, form)
 S4+ (author / reader)
- S3 (machine, meaning)
 Deletions (S2; S4 alternative)

Identical rank correlation in both studies: the two samples produce the same ordering of edit types. $\tau = -0.60$ ($p = 0.17$) treating deletions as S2; $\tau = -0.22$ ($p = 0.60$) treating them as S4.
